THE AUSTRALIAN MAIL.

The C. N. steamer Chingto, with Australian mails, arrived here yesterday morning. following telegrams are taken from our Australian files :-

THE GREAT STRIKES IN AUSTRALIA. ADELAIDE. 24th August.

The strike initiated by the Sydney Seamon's Inion is extending throughout the colonies, and the intercolonial shipping trade is completely aralysed, every vessel excepting over ses ships being blocked. All the coal lumpers employed at Newcastla have now struck; also the minera suployed in the Australian Company's mine. Involving 12,000 men. The Gas companies in the various centres intimate that they must cease operations within a few weeks unless coal is supplied. At Broken Hill there is only ten days supply for the smelters, and a scheme is on foot for the importation of ing of the labour laws there. imber as a substitute. The strikers refuse to allow ships to discharge, and are boycotting all attempts to employ non-union labour. The employers are combining, and express a determination not to make any further concessions to the endless demands of the unions. The aspect of affairs is to the toast of his health, Lord Jersey said he most alayming, and the news of an outbreak of serious rioting is momentarily expected. The press is urging the leaders on either side to endoavour to arrange some settlement.

my for the efficers; also that the Ufficers Union permitted to amalgamate with the other nions. The owners refuse both requests, and here is a complete deedlock. All factories, smelters, and other industries ispendent upon coal will be compelled to close within a few days unless some settlement is arriv-

ables having been sworm in in each of the cities THE ENGLISH PRESS ON THE STRIKES.

LONDON, 23rd August. There is a provalent feeling of entistaction here that Australia is now suffering from the densequences of the great London dook strike, as it is recognised that the help then afforded by the colonies to the strikers has stimulated many of the recent labour troubles in Great Britain: The Times this morning, commenting on the hipping strikes in Australia, and the struggle of the Knights of Labour in America against the Vanderbilt Railways, attributes these industrial pheavals to the extensive use of machinery and s subdivision of labour. The coming question is not one of wages, but of individual liberty. The Standard, discussing the labour troubles, declares that organised labour is happily provoking capitalists to combine for purposes of

LONDON, 24th August. A meeting sttended by 5,0,0 members of trades scoretary o. 10 Sailors' Union announced that the union was about to activaly support the men delegates would attend the international conference of sailors to be held at Glasgow.

LONDON, 21st August. The Pall Mall Gasette announces that a conference of shipowners is to be held to decide upon the establishment of a union of steamship proprietors with a capital of eighty millions sterling, for the purpose of fighting the various labour unions connected with the shipping

LONDON, 22nd August. The report published by the Pall Mall Gasette that a conference of shipowners was to be held to decide as to the establishment of a union of proves to have been correct. The conference was held to-day, about sixty persons being present, representing every sesport in the kingdom. The movement embraces the total shipping tonusge of the United Kingdom, and it aims to abolish the men's unions. Mr. Devitt was elected president. The proposals put forward include the withdrawal of ships whenever such course is sustained by them.

THE STRIKES IN AMERICA. LONDON, 15th August. The strike on the New York Central Bailway which was stated last week to have been settled

has been reopened. A very serious incident in connection with the trike is reported from Albany. At that city, in consequence of the behaviour of the men. the police were summoned, and in dispersing the mob met with such resistance that they fired apon the populace, wounding three persons. The growd became highly exesperated and attacked the police, who narrowly sacape of lynching at the ands of the infuriated people.

London, 20th August. The New York brickmakers are boycotting various works in progress in that city, in consequence of the employment of non-uniquists. The master brickmakers have arranged to step supplying bricks to New York. Brooklyn, and

The building trades are paralysed in course quence, and 80,000 hands are affected. LONDON, 21st August. The strike in connection with the New York Central Railway continues, and excites much

Grandmaster Workman Powderly, the wellknown American labour advocate, and head of the Knights of Labour, has been endeavouring to bring about a settlement of the dispute, but his efforts have not been suppessful. Under these circumstances a meeting of the Workmen's Supreme Connoil has been convened, to be held on Saturday next when the matter to be dis cussed is whether the associated labour unions of the United States shall support the demands of the Knights of Labour or not. In New York the situation is regarded as

The Knights of Labour threaten to bring about a strike on all the Vanderbilt railways in New York, Buffalo, Cleveland, Chicago, Cincipnati, and St. Louis. LONDON. 23rd August

The porters on the Illinois Central Railway. and the engineers and foremen on the Chicago and North-Western lines in America, have struck for higher wages, and the tracks are filled with trains which were conveying most LONDON, 4th September. The strike amongst the porters, engineers,

and dremen on the Illinois and Chicago railway still continues, and traffic is consequently at standstill. THE STRIKES IN ENGLAND:

LONDON, 21st August.

In spite of the recent settlement of their dispute with the dock meaters of Tilbury relating to non-union labour, the leaders of the dockers refuse to permit the men to resume work dutil the question of sublatting is finally dealt with LONDON. 22nd August. The riveters at Stafford and Worcester have resumed work, the amployers having conceded their demands. The annual conference of the Dockers Union will be held in London in September. A compromise has been effected in connection with the strike against Danish ships in the north-

consured the dockers at the Tilbury Dicks for having struck to suforce the expulsion of non-union-men from the docks, and the men have now sullenly resumed work. STRIKES IN BELGUM. LONDON 21st August. Eight thousand colliers have struck work in the cool mines of Belgium in resistance to the

eastern ports of England. The union leaders have

masters' attempt at reducing wages. LONDON, 23rd August. Estensive strikes have taken place in Belgium, GERMANY AND THE LABOUR LAWS.

LONDON, 23rd August. The Emperor of Germany has departched agents to I successive to loguire into the work-THE COVERNOR OF NEW SOUTH WALES.

LONDON. 23rd August. The Earl of Jersey, who succeeds Lord Carrington as Governor of New Bouth Wales. was banqueted at Swanges last night. Responding knew that the difficult task he had undertaken would be rendered easy by the kindness of the people of Sydney. The colony of New South Wales, he was confident, had a great and grand inture before it.

Lord Jersey has appointed Lieutenant Henry Reginald Cholmondeley, of the Cheshire Regiment as an extra aide-de-camp. EXPLORATION OF THE SOUTH POLAR REGIONS

MELEOURNE, 22nd Apprest. A meeting of the Royal Geographical Society to-night cordially seconted Baron Nordanskiela's The struggle is the most determined and hit offer to command an expedition to the South meeting promised to subscribe 2100 each.
